

SERMAC SIGNS AN EXCLUSIVE DISTRIBUTION AGREEMENT WITH THE FRENCH COMPANY IMER FRANCE

[SERMAC - Concrete Pumps](#) and [IMER France S.A.S.](#) announce to have entered an agreement for the exclusive distribution of concrete equipment in France!

[IMER France S.A.S.](#) is located in Vif, near Grenoble, on 30,000 m² including 12,000 m² of covered area.

The importer [IMER France S.A.S.](#) now offers the wide range of concrete pumps and pump mixers #SERMAC throughout France and Dom-Tom.

[IMER France S.A.S.](#) now has a complete range for the production, transport and implementation of the concrete. In addition to this range, [IMER France S.A.S.](#) provides after-sales service and original spare parts throughout the country. To better meet customer needs, 2,000 m² are dedicated to the spare parts service, and in order to provide local service in the regions, many reseller rental companies are located throughout France.

We are proud to start with [IMER France S.A.S.](#) the new collaboration. Welcome into #SERMAC family.
